

Orchids for your Special Occasion...

Are you looking for something to make that all-important day a bit more special?

If you are organising a **wedding, birthday or anniversary party, or any type of celebration**, then orchids can make a superb addition to your decorations.

Phalaenopsis are a popular choice as they are always available and come in a **wide range of colours**. Plus, they don't have a lot of foliage so won't be too bulky as a table decoration.

For example, single Phalaenopsis Moth Orchids in flower at the centre of each table make a simple but stunning feature of the room.

A range of attractive coloured glass pots are also available to compliment your orchid and tie in with your colour scheme

We can only supply plants in flower, not cut blooms, but there is nothing stopping you cutting the flowers for an arrangement or bouquet.

Grow the plant on and every time it blooms, you will be reminded of the special day!

Please give 4-6 weeks notice for large or specific orders so we can select, reserve and open the flowers for you.

We are more than happy to discuss ideas and requirements for your special day, contact us now.

Current pricing for 2009-2010:

Phalaenopsis with 2 stems in flower
(usually 6-8 flowers per stem)
£20 each
10 - 19 plants deduct 10 % discount
20 - 30 plants deduct 15 % discount
(plus delivery)

Phalaenopsis with 1 stem in flower
£15.00 each
quantity discount as above.

Many other orchids are also available so if Phalaenopsis do not suit your needs then please ask us for what other orchids may be available at your time of year.

Call us or drop in to see the full range, we are open every day
10am – 4pm. Ask for Sara.
